Hey Larry,

As we discussed, my client is sick today and yesterday, so I have not had the opportunity to meet with her to go over her file and secure her records.

We are agreeable to submitting all records generated by CASA, and a list of any other documents which may have been filed in the juvenile case and received by CASA. We will supply these with Bates stamps and a business records affidavit.

I will be out of town most of the next two weeks, so I would ask for an agreed date of extended time to get the records organized and submitted by November 3, 2022.
